## NATURAL SUPPLEMENTS FOR LIFE

Essentials are designed to appeal to both those who are new to an algae regimen and those who have eaten the products for years. The simple, easily portable Simplexity Essentials bag contains thirty polypropylene packets, each of which includes: one Alpha Sun®, one Omega Sun®, two SBG Zymes, one Acidophilus, and one Bifidus. Made up of the foundation products of Simplexity's core daily nutrition program, all in vegetarian capsules, this product offers a simple, effective way to use our products, and convenient packaging for all—great for pocket, purse, backpack, lunchbox, bookbag, and briefcase. One or more packets a day provide broad-spectrum benefits. With this basic program, you'll cover a lot of bases—digestion, assimilation, and micro-nutrition. The packets are easy to carry and use, and an economical way to better health!

### Other Ingredients

Plant fiber, maltodextrin, rice bran, water, vegetable magnesium stearate.

Contains milk, soy. (Milk and soy are contained in the growing medium for probiotics.)

### Suggested Use

One or more packets each day. You may wish to adjust this amount based on your individual needs.

### Storage

Keep in a cool, dry place.
